**SEPTEMBER 17 2018
REGISTRATION 8:30AM SESSION BEGINS AT 9AM**

This fast moving interactive session will provide facility administrators, corporate managers, and clinical leadership with a candid specific review of changes to the Long Term Care Survey process. Operational professionals need to understand the changes to the survey tasks, interviews, Tag content, the record review process, as well as, the new structure of the F-Tags. These changes require leadership and education to inform the staff of the new requirements and interview protocols. This is a must do session for

administrators, clinical and operational managers, as it will discuss changes and specific ways to implement new policies and processes necessary for compliance. Join us for a day of interactive stimulating learning with one of the industry's best teachers.

This session has been approved for 6 CEUs from the PA State Board of Nursing Home Administrators and the PA State Board of Nursing.
